YORBEAU ANNOUNCES RESIGNATION OF DIRECTOR

Montreal, August 16, 2016 - Yorbeau Resources Inc. (TSX: YRB.A) (the “Company” or “Yorbeau”) announces that David Crevier has resigned from the Company’s board of directors effective today.

Gérald Riverin, President of Yorbeau, stated: “On behalf of the board and management, we thank Mr. Crevier for his many contributions to the Company and wish him well in his future endeavours.”

About Yorbeau Resources Inc.

The Company’s 100% controlled Rouyn Property contains four known gold deposits in the 6-km-long Augmitto-Astoria corridor situated on the western half of the property. Two of the four deposits, Astoria and Augmitto, have substantial underground infrastructure and have been the focus of NI 43-101 technical reports that include resource estimates. Yorbeau and Kinross Gold Corporation (“Kinross”) have recently signed a letter of intent providing for the grant to Kinross of an option to acquire a 100% interest in the Company’s Rouyn Property (see press release dated June 22, 2016).

The Company has recently expanded its exploration property portfolio by acquiring strategic base metal properties in prospective areas of the Abitibi Belt of Quebec and Ontario that also feature infrastructure favourable for mining development. The newly acquired base metal properties include Scott Lake which hosts important mineral resources, and Beschefer where, regionally, exploration interest has been increasing.
