**About Yorbeau Resources Inc.**

Yorbeau Resources is a Canadian public company (TSX: YRB) involved in gold and base metal exploration in Quebec, Canada. Its properties are in northwestern area of the province containing many significant deposits on the famed Abitibi Greenstone Belt, including major gold mines along the Larder Lake- Cadillac Break and several volcanic centers hosting major copper-zinc-gold deposits.

Yorbeau is focusing on its Rouyn Gold and Scott Lake Zinc-Copper projects which have demonstrated the most immediate and substantial prospects for discovery and eventual mine development.
