About Yorbeau Resources Inc.

Yorbeau Resources is a Canadian public company (TSX: YRB) involved in gold and base metal exploration in Quebec, Canada. The Company’s focus is on seeking a partner to further explore and develop its Scott Lake zinc copper deposit near Chibougamau Quebec (refer to Yorbeau’s National Instrument 43-101 compliant technical report dated December 6, 2017, titled “Technical Report on the Preliminary Economic Assessment for the Scott Lake Project, Northwestern Québec, Canada,” available on the Company’s SEDAR+ profile at www.sedarplus.ca). Yorbeau also intends to focus on continuing exploration on its well-located properties in the Detour, Joutel and Selbaie region of north western Quebec. These properties include the Beschefer property which is adjacent to the B-26 base metal deposit now being explored by Abitibi Metals Corp. and the Selbaie West property adjacent to Soquem (Wagosic property) where they are presently intersecting base metal values along the Selbaie mine horizon.
